

COVID-19 TESTING

Since Puerto Rico is a U.S. territory, the recent CDC COVID-19 testing requirements for U.S. travelers re-entering the U.S. from overseas international destinations does not apply, and you will not need a negative test to return to your state. www.cdc.gov/media/releases

Should you require a **COVID-19 test**, the following options are available:

DOCTOR ON CALL (787-692-2072)

Each doctor's visit at the resort is \$200 and does not include the cost of testing:

- Antibody blood test \$65.00 each
- Antigen test (*similar to molecular*) \$100.00 each
- Molecular test
 - Results within 24-hrs: \$200.00 each
 - Results within 72-hrs: \$150.00 each

* Total cost of doctor's visit is \$200 + cost of test (i.e. \$200 + \$65 antibody blood test = \$265).

PRC, ANTIGEN AND/OR ANTIBODY TEST

Laboratorio Clínico de Bayamón

A nurse will visit the resort upon the request of a guest to conduct testing on the premises Monday through Saturday. Cost is \$100 for the on-site nurse service visit, plus \$150 per PCR test, \$85 per antigen test OR \$50 per antibody test.
